

Opening of overseas education counsellor in Fortune Immigration and Education

An 'overseas education counsellor' plays a vital role in assisting and helping the students in choosing the right course and institution for an overseas education aspirant. They support the students for hassle-free application processing. The overseas education counsellors will be trained to identify a student's interests, aptitude, and personality and provide a customized plan to the students so that he/she can choose a suitable course and a good university. The following are the major duties and responsibilities of an overseas education counsellor:

- Profile assessment
- Supporting students with suitable course
- Admission processing
- Documentation
- Guidance on the preparation of the statement of purpose for admission and/or visa
- Assistance for visa processing

We prefer students with good English speaking skills, Immediate joining .

An updated CV with the percentage of marks for 10th, +2, degree, and PG and cover letter is recommended. Please mention the percentage of marks for the English subject for each qualification.
